

Brian S. Kubiel

Councilman Ward 2

Councilman Brian S. Kubiel is a resident of Ocean County for over 46 years. As a graduate of Toms River High School South, Ocean County College, and Columbia Southern University, Brian holds various New Jersey State licenses inclusive of Fire Sub code Official, Fire Inspector HHS, and Fire Official. Brian also holds certifications as a Registered Healthcare Safety Officer from the International Board of Health and Safety Professionals and a Project Management Certification from Rutgers University. Brian currently is employed as the Director of Plant Operations at HealthSouth Rehabilitation Hospital of Toms River, where he is responsible for the operational and safety management. Brian serves as a member of the Ocean County Office of Emergency Management, American Society of Healthcare Engineers, New Jersey State Industrial Safety Council, and the Ocean County Construction Board of Appeals.

***In* addition to Brian's background in safety management, Brian has had extensive community involvement. As the former Fire Chief of Toms River Fire Company No. 1 and District Fire Chief of Dover Township, Brian was a volunteer firefighter in Toms River for over 22 years. Brian is the recipient of the Chamber of Commerce Volunteerism Award, as well as, the B.P.O.E. Volunteer of the Year.**

***Brian* was elected to the council seat representing Ward 2 in 2003, with the intent of helping the community and ensuring prosperity of our growing town. Brian applies his knowledge and experience to further advance the township's social and economic direction. As Chairman of the Law and Public Safety Committee, Brian has seen the police force grow to over 160 officers with Toms River being named one of the safest cities in the United States. With a proven leadership record, Brian has worked in cooperation with the Township Council and was instrumental in reducing tax increases, promoting open space preservation, enhancing the township's EMS program, and police department dispatch operations. Brian and the other members of the township council have worked to provide improvements in addressing road paving and drainage solutions for the residents of Toms River. In collaboration with the members of the council, Brian has supported the provision of enhanced recreational programs designed to keep our youth involved and active within our community.**

***Brian* and his wife Teri, have two children, Kevan age 14, and Kayla age 13.**
