**Education:**

B.S. Civil Engineering  
Rutgers University, 1978

M.S. Civil Engineering (major in Construction Management/Structural Engineering)  
New Jersey Institute of Technology, 1983

M.B.A General Management  
Farleigh Dickinson University, 1990

**Professional Registration:**

Licensed Professional Engineer, State of New Jersey  
Professional Planner, State of New Jersey  
N-2 wastewater license- N.J.

**Professional Experience-** I work for a major Pharmaceutical company as a Sr. Director of Engineering and Maintenance where I have responsibility for a \$200 million dollar operating budget and a capital budget of 16 million dollars. I have over 31 years experience as an engineer and have responsibility for approximately 370 employees.

I have experience in the design of roads, drainage systems, traffic improvements, water and wastewater facilities, building modifications and alterations, utilities, roofing and building envelope improvements and various infrastructure improvements. I have a strong background in construction management and construction scheduling for large capital projects.

I have also managed large capital projects including computer systems, construction of new facilities and utilities and commissioning and validation of manufacturing facilities in the United States and Puerto Rico.

**Government Experience:**

**Dover Township Committee-** Served on Dover Township Committee for 6 years from January 1995 until December 2000. During that time I held the positions of Mayor, Deputy Mayor, Liaison to Police Department, Engineering, Planning Board and Administration. The committee held the tax rate stable over the 6 years, and increased the tax rate by 1.5 cents from 1995-2000.

**Toms River Board of Adjustment-** Served on the Board of Adjustment as a regular member from January 2004 until February 2006.

**Toms River Municipal Utilities Authority-** Served as an alternate member, regular member and currently hold the position of Chairperson of the Authority. (2006- Present)

**Toms River Municipal Committee-** Elected member of Municipal Committee, District 56 from 1994 to Present

**Community Service:**
